

# Manager's Specials on Gas Equipment

## Important tips for a safer workplace

It is best practice to:

- Fit FBAs to cover torch and regulator end gas lines.
- Inspect FBAs weekly, test every year, and replaced every five years.

Regulator End FBA set

Torch End FBA set

### Standard Flow Flashback Arrestors

A set of 4 FBAs to cover both torch and regulator ends

Part No. PROMOFBASET
